

# Become an International Student Ambassador in 2022!

## Showcasing South Australian Government Schools

South Australian Government Schools are recruiting for 2022 International Student Ambassadors. The Student Ambassador Program provides current international students with the opportunity to enhance their educational experience, make connections and help promote studying abroad in South Australia.

### Why should international students apply for the program?

- Fantastic educational and social networking opportunities
- Build on their CV with extra-curricular international student ambassador mentoring activities and be provided with a reference from International Education Services.
- Opportunity to work with the South Australian Government Schools Marketing Team, becoming a 'face' of the brand and featuring on our social media channels.
- Opportunity to host and mentor at key events run by South Australian Government Schools
- Offer advice and key information to potential international students looking to study in South Australia.
- Opportunity to join focused Working Groups to share ideas and assist with planning for specific events.

*"I really admire how my school and teachers in South Australia encourage and inspire me to show my creativity, boosting both my confidence educationally and socially"*

- Jenny (Vietnam), International Student Ambassador.
