

# International Student Ambassador Frequently Asked Questions

## What are my responsibilities as an International Student Ambassador?

As an International Student Ambassador you will:

- Help promote South Australian Government Schools and South Australia as a study destination to current and potential international students
- Provide content to be shared on South Australian Government Schools social media channels
- Share your positive experiences and advice with potential international students and on both public and private forums
- Attend, support and provide mentorship at both virtual and face-to-face events that aid in the promotion of South Australian Government School Programs

## How long would I be a part of the Student Ambassador Program?

The International Student Ambassador Program runs for the whole year.

If you wish to continue being a Student Ambassador the following year you will have to reapply at the end of the year. International Student Ambassadors that graduate Year 12 will become International Student Ambassador alumni.
