

# Top 10 reasons to study with South Australian Government Schools

**#1**

## Come to South Australia for a great Australian experience

South Australia packs all the quintessential Australian experiences into the one destination. Our friendly approach and temperate climate allow you to enjoy a relaxed and active lifestyle all year round. We have white sandy beaches, wildlife parks and picturesque hills villages all within 20 minutes of the vibrant city of Adelaide.

**#2**

## South Australia is an affordable study destination

International students can access student concessions on transport, entertainment and events across Adelaide. Our cost of living is 16% cheaper than Sydney and students love to shop for their favourite foods at the Adelaide Central Market and Chinatown.

**#3**

## Our international program is centrally managed

We pride ourselves on offering a high level of service to our international students, parents, homestay families, education agents and accredited schools. Every aspect of your study program, including homestay accommodation, is centrally managed within our office by a caring team of dedicated staff. This makes South Australian Government Schools unique in Australia.

**#4**

## We offer short and long term study programs

- primary school and high school programs
- affordable tuition fees compared to other Australian schools
- individual school matching to best meet your interests and ambitions
- intensive English and support included in your study program

**#5**

## We offer a quality education program and wide choice of schools

You can choose a school that is near the beach, close to the city centre or in the country. We have over 100 accredited schools to choose from, located in Adelaide and regional South Australia, offering:

- special interest programs and co-curricular activities
- specialist resources for technology, arts, hospitality, sport and VET
- an international student program manager in every school
- a local school buddy to help you settle into school life

**#6****We offer a diverse selection of subjects and activities**

You will have the opportunity to improve your English, join a special interest program, try a new subject like media, design or outdoor education, participate in a school drama production or music band, play a new sport like Australian Rules football, cricket, golf or beach volleyball, experience a new activity like rock climbing, sailing or surfing.

**#7****Our homestay families are quality accredited to care for you**

Living with a supportive homestay family will help you in your studies and enrich your South Australian experience. When matching you to a suitable homestay family we take into account your individual preferences. Our staff know every homestay because we personally accredit and monitor them. This makes it easier for us to find the right homestay for you.

**#8****We support you every step of the way**

Our support service starts before you leave home and continues throughout your study program to ensure you enjoy your South Australian experience. You will receive:

- a pre-departure information pack
- a comprehensive school orientation program
- safety and wellbeing checks
- academic progress reports
- subject and tertiary studies counselling
- 24 hour emergency phone service

**#9****Your success, safety and wellbeing are our priority**

When you receive a South Australian education, you have the opportunity to succeed academically but will also grow as a person through participation, open-mindedness, critical thinking, language and friendships. Your academic success and personal development will prepare you for a brighter future.

**#10****South Australia is your home away from home**

South Australia is the perfect destination for living and studying abroad. Your homestay family, school and friends will soon make you feel at home so you can enjoy everything that South Australia has to offer!
